Key Elements of the SBS Transit's New Uniform Designs

Design

- Inspired by Singapore's roads and railway tracks, reflecting the environment in which SBS Transit's buses and trains operate.
- Lighter, more vibrant colour palette, presenting a warmer and friendlier disposition towards commuters.

Comfort

- Untucked shirt design for freedom of movement.
- Elastic-band pants for better fit.
- Breathable, anti-wrinkle fabric for all-day comfort and easy care.
- Short-sleeve and long-sleeve options.

Safety

- Bus Captain uniforms feature reflective strips that enhance visibility for staff working outdoors or in low-light environments.
- Use of lighter-coloured fabrics ensures that staff are easily seen while on duty.

Staff Involved in the Uniform Update

Over 6,800 frontline staff, including Bus Captains, Interchange Staff, Station Staff and Operations Control Personnel will be sporting fresh new looks.
